Your participation will benefit the St. Charles West High School Band program.

Proceeds from the Golf Tournament and similar fundraisers have been used over the years to enrich the band program and give students education and performance opportunities that otherwise could not have been offered. Through dedication and downright hard work our students have risen to the challenge and won numerous awards for their outstanding achievements in Marching, Symphonic, Jazz, and Guard competitions. They have been ambassadors for the St. Charles community as their travels have taken them across the country. Please help us continue to give the gift of music by your participation this year.

Hole Sponsorship

Dear Sponsor,

The St. Charles West Warrior Band Program is pleased to invite you to our 13th Annual Golf Tournament. Our students, staff, parents, friends, faculty and community are coming together in support of the band program. Last year's tournament was an enormous success and helped fund the Marching Warriors in their 2008 competition season.

In order for our tournament to be successful again this year, we need your support as a member of our local business community. A donation in the form of attendance prizes or hole sponsorships will expose your business to the many friends and families of the Warrior Bands. There is no minimum or maximum value for an attendance prize but we do ask a minimum of \$100.00 for a hole sponsorship. A placard with your business name will be displayed at each hole you sponsor.

Any support your business is able to provide is greatly appreciated. The St. Charles West Band Booster Club is a federally registered 501(c)(3) charity making your donation tax deductible. All revenue generated by this event directly benefits the students of the St. Charles West Warrior Band Program. As the program director, I believe this tournament and the camaraderie it provides directly correlates to our success in competition.

Thank you for all you have already done in our community and in advance for your continued support.

Ben Meyer
 Director of Warrior Bands
 St. Charles West High School

Please complete and return this form along with the total amount due ASAP but no later than April 29th. You may register a foursome, individual players, purchase a hole sponsorship or make a donation.
